**ORGANISATIONAL CONSULTANCY**

Helping leaders to reconcile external landscape with next steps. Your plans are likely to be cross-disciplinary or multi-agency, may be aiming for sector-level impact or be taking stakeholders through a key transition. Jo provides specialist support to those delivering in the context of Government policy to build perspective, create strategy, develop projects and promote sustainability

**PROJECT COACHING**

Enabling leaders of multi-agency and cross-sector work to build capacity in their teams and stakeholder groups at all levels, to step back, and be confident that diverse interests will be mobilised around a specific agenda or action point. Builds collective effort, troubleshoots

**PROGRAMME LEADERSHIP**

Supplying the role of Project Director to galvanise the shaping of shared purpose, objectives, roles, language and outcomes in mixed-disciplinary partnership working. Sets pace, maintains direction, provides oversight

**INDIVIDUAL SURGERIES**

Supporting professionals working in and through the Public Sector who need to demonstrate contextual knowledge and grasp the 'bigger picture'
